## 2024 Stationery List

To enable classes to begin work as soon as the new school year commences we are asking parents to purchase their child's stationery during the holidays. The school holds a small amount of most items in stock should you need to buy from us.

Listed below are the requirements your child will need to commence the year. All classrooms will start in books from February 2024 . Please send all the named stationery to school in a bag. Some equipment will be collected and held by the class teacher for distribution during the year.
